

The 2020 GIPS® Standards: Update, Questions, and Discussion

Fall (Virtual)
Asset Owners Roundtable

November 16, 2020
Ashley Reeves, CIPM

Background: Why Update?

- Expand the appeal and pertinence for more firms
 - Firms managing alternative asset classes/strategies
 - Private client and wealth management firms
 - Pooled fund (e.g., MF and ETF) oriented firms
- Provide clarity and appeal for asset owners
 - Dedicated “chapter”
 - More contextualized, appropriate and pertinent content
- Consolidation of all accumulated guidance
 - Q&As and Guidance Statements

Most Impactful Changes

- Core Structural Change of Standalone “chapters” for firms, asset owners, and verifiers
- Defining the organization that will claim compliance
- Estimated Transaction Costs are Allowed
- More Do’s and Don’ts
 - Reported elements, disclosures, policies/procedures, etc.

Forum Member Discussion

- What (other) topics do you believe are most impactful?
- If compliant, what actions have your organizations taken thus far to implement the new standards?
- Biggest challenges thus far?
- If not compliant, does the 2020 version have an impact on the decision whether or not to comply?
- What else?
