# Managing the Day-to-Day

- How does your operating mode (remote/back in the office) impact your talent management?
- How has your Day-to-Day production & team management changed over the last three years?
- How has your Day-to-Day production & team management changed?
- If you had to go back through Covid-19 again, what would you do differently?

# **Recruitment/Career Development**

- How has recruiting changed?
- How are you handling career building?
- What are you doing for professional development?

# Retention

- How has poaching affected your staff?
- What have you done to keep employees from leaving?
- What are you doing to build networks and relationships that ultimately builds a team and loyalty to a firm?

# Q & A
